I have 33 Acres breaking done, in fact its 35 Acres: it was an error on my part in dividing the breaking done each year. On looking into this question carefully, I consider I under estimated the breaking as given in my report for 1912:

I also find I broke more in 1913 than stated in my application but knowing that I had fully the quantity of land broken, as stated in my application, I was not so particular in dividing it up to each year, as I now see it was important to have done.

In reporting my crops for 1912 I only gave the 7 acres wheat, but the remainder of crop was roots & also vegetables, making up the 10 Acres as per application for patent.

N.E.¼ of Sec. 7 Tp. 60 Rge. 7 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

OTTAWA, 15th September, 1925.

Sir,-

S.E. ¼ Sec. 18 Tp. 55 Rge. 8 West 4 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Acting Commissioner

Saddle Lake. Alta. Dec 31st/14.

Sir:-

Attached please find application for entry N 1/2 South East 25, 58, 10. 4. by Louis Lemay, You will notice that I sent an application for this same quarter on Dec 29th made by Simon Charron.

According to the plot book in this office which was written up about the time I came here 2 years ago there are no 80 acre subdivisions shown but during my absence on vacation this summer or more correctly on July 18th your office issued a notice showing this subdivision open for entry on July 29th, but my relief only made the notation covering the whole quarter section and that is the last entry made against this land I can find no record of where this land was taken after July 29th neither is there any record of this land having been abandonned or cancelled and no notice whatever has been received at this office of same being open on Dec 30th although the applicant Mr Lemay held a notice from your office dated Dec 19th showing this land as becoming open on Dec 30th and informed me that the notice was posted in the Office at ST Paul Des Metis.

In conclusion I wish to point out that on account of failure on the part of my relief to make a correct entry in July and the failure on the part of your office to keep this office posted as to subsequent changes in respect to this land, is the cause for my accepting the application from Mr Charron on the 29th Inst.

Respectfully Yours

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Dear Sir,

re N.W.¼ of Sec.34-2-13.W.4th P.M. Thomas Edgar.

In reply to your favour of recent date addressed to the above man I would be to state that I drew up this man's Application Papers for Naturalization in the month of March A.D.1911. and saw the Naturalization Papers duly signed by the Judge of the District Court at L ethbridge giving this man his Naturalization rights. This man then sent the Naturalization Certificate into the Land Office at Lethbridge as the Agent at that point had told him to do so and now the Agent sends Mr Edgar the enclosed letter in answer to his asking for the Papers back to be sent to you. I trust that you will accept this declaration and allow Mr Edgar to get his Patent as soon as possible as he is one of our good settlers and is naturally anxious to get the clear Title to his land.

Yours very truly,

FORM 31 A

24th April, 1928.

TO HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL.

MAY 10 1928

The undersigned has the honour to report that in the year 1920 one Andrew J. Kleiber, Jr. received advances of fodder from the Province of Alberta in the extent of $222.54, giving as security land liens against the West Half of Section 36, Township 9, Range 5, West of the 4th Meridian supported by chattel mortgages on some farm machinery and having defaulted in repayment one half the amount thereof became chargeable to the Dominion under the provisions of an agreement in that regard. In November 1923 he made a payment of $150.00 which left a balance as on January 22nd, 1927, of $151.31 and at that time the debtor remitted a further sum of $100.00 with the request that it be applied in full settlement and which the Province accepted pending approval of the Dominion.

The Director of the Debt Adjustment Bureau of Alberta in his report, a copy of which is attached hereto advises that this land is situated in a very dry district, that the chattel security has greatly depreciated, and that the debtor owed outside creditors approximately $4,120.00, with whom he has effected a compromise settlement.

The Committee appointed by your Excellency in Council on November 22nd last, P.C. 2200, to deal with the apportionment and adjustment of indebtedness incurred by way of advances of seed grain,fodder and relief, a copy of whose report is also attached hereto, unanimously recommends, that said payment of $100.00 be accepted in full settlement and that the balance now due being $59.74 one half of which or $29.87 is chargeable to the Dominion, be written off.

The undersigned, therefore, in view of the recommendation of said Committee, and under and by virtue of the provisions of Section 1, of the Act 17, George V., Chapter 31, recommends that said payment of $100.00 be accepted in full settlement and that authority be given to discharge and release the balance due His Majesty in the right of the Dominion in respect of the fodder advances to the said Andrew J. Kleiber hereinbefore referred to and to take any action necessary to clear the records of the Land Titles Office in respect of the registration of all liens, bonds or mortgages given as security therefor.

Respectfully submitted,

SENT
JUN 11 1920

Sir,-

S.W. ¼ Sec. 13 Tp. 28 Rge. 9 West 4th Mer

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Acting Commissioner
of Dominion Lands.

Sir,-

S.½ Sec. 23 Tp. 28 Rge. 9 West 4 Mer

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Agent of Dominion Lands at Red Deer Alberta, File 47478.

THE PETITION OF WILBERT LEONARD FAIRBAIRN of Drumheller in the Province of Alberta, Farmer, RESPECTFULLY SHEWETH:-

(1) That Petitioner was granted Letters Patent for his Homestead, the South West Quarter of Section 30, Township 35, Range 10, West of the 4th Meridian in the Province of Alberta, in the year 1912, and made entry for Pre-Emption of the North West Quarter of Section 30, Township 35, Range 10, West of the 4th Meridian in the Province of Alberta, on the 23rd September 1909, which entry was allowed by Certificate of the Agent of Dominion Lands at Red Deer, Alberta, No.17906, dated 23rd September 1909.

(2) That Petitioner has performed all the requirements of the Dominion Lands Act and of any regulations made thereunder with respect to gaining letters-patent to him of his said Pre-Emption Quarter-section, with the exception of sub-sec.(c) of section 27 of the said Act in respect to the cultivation of 50 acres of land on the said pre-emption quarter section, whereof 15 acres only were broken by him in the years 1911 and 1912; and is at the present time the Owner of the said HOMESTEAD quarter section.

(3) Your Petitioner served with the Canadian Expeditionary Force in the recent war from January 27th 1915 until October 25th 1919, and served Overseas from the 6th of September 1915 to the 25th of November 1919.

(4) Petitioner applies under Section 23 of the Dominion Lands Act 1908 as amended by Chapter 19 of the Statutes of 1918, to the Honourable the Minister of the Interior that the Minister may direct the issue to him of Letters Patent for the said Pre-Emption Quarter Section, the N.W. Quarter Section 30, Township 35, Range 10, West of the 4th Meridian in the Province of Alberta, on payment by Petitioner of the purchase price and interest in full due and payable in respect of the said land, ON THE GROUNDS THAT his Inability to perform the conditions of sub-section (c) of Section 27 of the said Act arises by reason that:-

>
> But that Petitioner further states that if the relief prayed for herein be granted, he can secure the necessary purchase price on that understanding.

(5) In the Alternative, and in the event of Petitioner's prayer being not granted, Petitioner applies under Sub-Sec. 3 of Section 28 Statutes of 1918 that the aforesaid Pre-Emption

4484118

Quarter section may be sold to him as therein mentioned.

WHEREFORE YOUR PETITIONER HUMBLY PRAYS that the Honourable the Minister of the Interior may be pleased to direct that the relief prayes for herein shall be granted to him, or that such other relied may be afforded as the Honourable the Minister may see fit to extend.

Canada.

OTTAWA - 26th March, 1924.

THE HONOURABLE CHARLES STEWART,
Minister of the Interior,
O t t a w a .

MEMORANDUM:

Request for Transfer of Dominion Lands.

Re: A. M. Fletcher No.636678
S.W.¼ 22-30-17 W.4th M. - Rd.

The above named settler secured advances from the Board totalling $3000., the Board taking a charge upon his unpatented homestead above described. Owing to such charge, patent to the homestead cannot be issued to the settler until his indebtedness to the Board has been fully discharged.

We are now in receipt of an application from Mr. Fletcher, requesting that patent to his homestead should be issued in favour of the Board. Mr. Fletcher states that he has completed all duties in connection with his homestead and would be entitled to receive patent therefor were it not for our charge. This is confirmed by the letter from the Secretary of the Department to the settler dated the 6th instant, copy of which is attached hereto.

In order to enable a settler to negotiate a sale of land in cases of this character, special Regulations were promulgated by the Board as approved by the Governor in Council on the 4th day of June, 1921 (P.C.1821) which enables the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented land held by him in the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under the provisions of these Regulations, the Board hereby requests that the right, title and interest of His Majesty in the S.W.¼ of 22-30-17 W.4th M. be vested in the Soldier Settlement Board. The Vesting Order covering same is attached hereto for the Minister's signature.

Respectfully submitted,

CHAIRMAN.

OTTAWA, 8th June, 1922.

MEMORANDUM

Re S.W.¼ 12-19-23-W. 4th M.
Homestead - Clyde L. Sharpe.
Entry granted - 16th December, 1914.

Re S.E.¼ 12-19-23-W.4th M.
Pre-emption - Clyde L. Sharpe.
Entry granted - 16th December, 1914.

Mr. Sharpe applied for patent for his homestead on the 13th May, 1919. He made application for patent for his pre-emption at the same time. He executed a supplementary statement in connection with his application for patent for his homestead on the 15th November, 1921. The duties claimed in both the application for patent and the supplementary statement are set out on form No. 58A (marked).

Mr. Sharpe, you will note, claims one period of actual residence on his homestead and two periods of residence with his father on land owned by the latter in the vicinity. Mr. Sharpe claimed patents for both homestead and pre-emption under the stock clause of the regulations. He is entitled to do this as a Homestead Inspector has reported that the half-section is not suitable for cultivation. A further statement of the facts is set out in Mr. Turton's memorandum hereunder.

The applications have not been approved owing to Mr. Sharpe's failure to file proper evidence of his father's ownership of the land on which his residence duties have been performed, and also because a Homestead Inspector has reported that Mr. Sharpe was not the owner of the stock claimed in his application.

With respect to the first point, namely, the ownership of Section 23, Township 17, Range 23, West of the 4th Meridian, on which Mr. Sharpe has lived, I note that on the 24th November, 1921, Mr. L.H. Stack, Barrister, Etc. of Vulcan, Alberta, forwarded the Department a statutory declaration executed by W.D. Sharpe, the father of the entrant, setting out that he had purchased Section 23, Township 17, Range 23, West of the 4th Meridian under an Agreement of Sale dated the 28th March, 1917, and that he had made the following payments on account:-

March 28th, 1917.....	$150.00
November 8th, 1917.....	$[illegible]
December 17th, 1917.....	$[illegible]
December 1918.....	$[illegible]

J.W. Greenway, Esq.,
Commissioner of Dominion Lands,
Ottawa.

The

The same declaration set out that the entrant, Clyde L. Sharpe, had resided with him (W.D. Sharpe) since the date of purchase and was employed all the time at farm work.

The purchase price of the Section was apparently over $2100C.00, on account of which $5998.78 has been paid, most probably including interest; therefore, one-third of the purchase price has not been paid, but I consider that sufficient has been paid to at least establish good faith, and provided the evidence produced in proof of these payments is accepted as satisfactory, I would suggest that the entrant's residence on his father's land be accepted.

If, however, you do not concur in this view then it remains to be decided whether Mr. Sharpe can be allowed credit for farm labour on his father's land during the years 1917 and 1918. You will note that in his letter to the Agent, quoted in Mr. Turton's memorandum, Mr. Sharpe states that he was told during the war that he could farm on Section 23, Township 17, Range 23, West of the 4th Meridian. If he is allowed credit for two terms of farm labour then, in conjunction with one period of residence actually performed on his homestead, he has fulfilled the requirements with respect to residence.

The matter of stock, however, appears to be the main trouble as, although Mr. Sharpe claims that he was the owner of a certain number of stock during the years 1915 to 1921 inclusive, a Homestead Inspector has reported that the stock in question consisted of cattle which Mr. Sharpe pastured on his land for his neighbours.

I note that in a report dated November, 1918, Homestead Inspector Tempany set out that no stock was owned by Mr. Sharpe. See also same Inspector's report dated March, 1922.

In view of the foregoing it would seem that Mr. Sharpe should be called upon to either furnish evidence in rebuttal of the Homestead Inspector's statements or else be called upon to show ownership of stock in each of three years before his application for patent receives approval.

Cancellation proceedings are pending in this case on behalf of an applicant for cancellation, and the matter is further complicated by the fact that Mr. Sharpe paid in full for his pre-emption in September, 1919.

Mr. Sharpe has adopted a rather unreasonable attitude in connection with this case. His last letter on the subject is quoted in full in Mr. Turton's memorandum hereunder.

Respectfully submitted,

If Mr. Sharpe should prove ownership in sheep ownership of required stock at a time he made ... for patent ... decided you might ... with ... under the ... with ... but with ... for ... mail ...

IN THE MATTER OF THE SOUTH HALF OF SECTION 12, Township 19, Range 23, West of the 4th Meridian, and IN THE MATTER OF AN APPLICATION BY CLYDE L. SHARPE for patent for the said lands.

I, Walter D. Sharpe of Vulcan in the Province of Alberta, farmer, make oath and say:

1. That under an agreement for sale dated the 28th day of March 1917 I agreed to purchase from Bamborough and Maloney, section 23, township 17, Range 23, West 4th Meridian.

The Secretary,

Department of Justice.

Ottawa, Ont.

Dear Sir,- -R. 1805, The King v. Trudel.

In this matter we ascertained upon exhaustive enquiry that Lynch, the applicant, and Feargue, one of the witnesses, had both gone to Montana, and that only Trudell remained within this jurisdiction. We take it that your instructions were to institute proceedings against both or either of the two witnesses. We accordingly had an information laid and we attended to conduct the preliminary investigation. The presiding Justice found that there was ample evidence to warrant him in remanding the accused for trial, and released him on bail of $2000 furnished by himself and $2000 furnished by two sureties in $1000. each. All are reliable persons. The remand was for trial at the next sittings of a court of competent jurisdiction in Macleod. The sittings of the Supreme Court commence here on the 25th instant and it is probable that he will come up for trial at that time.

After the preliminary investigation the matter of course naturally came into the hands of the Crown Prosecutor for the district, and we understand from him that subpoenas have been issued for all of the witnesses. It has been suggested to us by counsel for the defence that he will move for an adjournment of the trial on the ground of the absence of Feargue and Lynch, who will be witnesses on his behalf. We have told the Crown Prosecutor that our instructions are to forward the prosecution by all reasonable means, and we are not in a position to consent to any adjournment, and none will therefore be made unless under protest from the Crown Prosecutor.

We think it is extremely unlikely that either Lynch or Feargue will return to give evidence for Trudel. We take it that we have instructions to conduct prosecutions against either or both of these two if they should return to this country. The Court here has no jurisdiction over them while they remain in Montana, and their attendance here to give evidence cannot be enforced.

Unless we are further instructed by you the case will remain in the hands of the Crown Prosecutor, but we will report to you at the conclusion of the trial.

Yours truly,

(Sgd.) McDonald & MacKenzie.

Dear Sir,

B. 1905.
- King vs. Lynch -

An information has been laid against Paul Trudel one of the witnesses to Lynch's application for patent. He has been arrested and is in custody of the Royal North West Mounted Police at Pincher Creek. His preliminary hearing will take place on Saturday morning next. Inspector Belcher has requested us to attend and conduct this preliminary inquiry and a member of our firm will therefore attend. If a committal or remand for trial is secured it is probable that Trudel will come up for trial at the regular sittings of the Supreme Court here at Macleod commencing on the 23rd instant. We will report fully from time to time.

Pearsue who is the other of the witnesses to Lynch's application is out of the country, it is thought in Montana, so that it is impossible for the present at least to prosecute him.

Faithfully yours,

(Sgd.) McDonald & MacKenzie.

Ottawa, Ont.

Dear Sir,

B. 1805, The King v. Trudel.

In this matter Trudel came before Mr. Justice Scott to-day. The Crown Prosecutor requested our Mr. McDonald to appear with him on the prosecution. We had anticipated a defence, but the accused pleaded guilty without attempting to put in any defence or adducing any evidence. In this we think the accused was well advised. Representations were made to his Lordship with regard to the reputation and antecedants of the accused as well as with regard to the circumstances of the case. It appears that Trudel is a man that bears an excellent reputation in his neighbourhood, and that he was on the occasion of Lynch's application merely appealed to to make an affidavit as a matter of form, and made his statement unthinkingly and with the object of obliging Lynch who was a neighbour, and it would seem that there was very little criminal intent. However, his Lordship on the plea found Trudel guilty of perjury and suspended sentence, Trudel entering into a recognisance of $500. for two years and paying the costs of the prosecution.

We may say that the prosecution appears to have had a very salutary effect in the neighbourhood, and it is improbable that any other person will be led unthinkingly to make careless affidavits in supporting homestead applications. This appears to be the opinion of the prominent people around Pincher Creek.

We have ascertained that Lynch the applicant, and Ferguson who was the principal witness on the application, are both residing and doing homestead duties near Browning in the

in the State of Montana, very near here. We would strongly advise for the moral effect it would have that steps should be taken to prosecute these two men, the offence charged being extraditible and their whereabouts being well known. It is notorious in the vicinity that Lynch, the applicant, considers that he did a very clever turn in getting his application.

Yours truly,

Encl. (Sgd.) McDonald & MacKenzie,

JWH/AM.

For this purpose please place yourself in communication with that official, giving him your full name and your Post Office address. His address is

The Registrar,

Sir;-

I own N.E.¼ of Sec.16, T-44, R-2, W- 5th M.,and would appreciate very much to learn if I would be entltled to any royalty of oil rights with Deed reading "Reserving unto his majesty, His Successors and Assigns, all mines and minerals".

I have paid taxes for thirty-seven years without any returns from the land, and since there are tests being made for oil in that territory I thought it might be well to satisfy myself as to the above.

Thanking you sincerely for reply, I am respectfully,

Yours truly,

Re: NE¼ 16-44-2-W5.

Dear Sir:

I have received your letter of May 25th in which you asked whether you would be entitled to any royalty of oil rights in connection with the land above mentioned.

In reply I may say that the oil rights of this property, together with all other mines and minerals, are under the control of the Province of Alberta as they were reserved from the patent when Crown Grant was issued in 1911 and were transferred to the Province of Alberta at the time of the transfer of resources in 1930.

For your information, I might say that any Crown land entered for after the 31st March, 1887, did not carry the mineral rights to the homesteader or entrant as they were in all cases reserved to His Majesty the King.

Yours very truly,

T.L. Cory,
Acting Registrar of Lands.

Re N.W.¼, 12-13-10-W. 4th Mer.,
Adolph F. Piehl.

The Seed Grain and Relief Adjustment Board, appointed under Order P. C. 2200, hereby recommends that all Liens, Municipal Seed Grain and Joint Relief, registered against the N.W.¼, 12-13-10-W. 4th Mer., for advances made to Adolph F. Piehl, be discharged.

The Board submits the report of the Acting Director, Debt Adjustment Act, dated April 4th, 1929, and states in support of recommendation:-

1. That title to the said land is passing to the Department of Municipal Affairs as Administrator for the Municipal District of Sunny South No. 123, under Tax Recovery Proceedings.

2. That the land is situate in the Tilley East Area and has practically no value.

3. That under the arrangements made the said land will not be open for re-entry or for sale, but will be held only for grazing purposes, and any revenues derivable therefrom will be so small that there is no possibility of making any payment on account of the said liens.

4. That the debtor left the District several years ago, and all trace of him has been lost, and there is no possibility of making any collection, under his personal covenant.

The Board therefore recommends that all liens registered against the said land be unconditionally discharged, and the total amount payable thereon be written off as uncollectible.

Dear Sir:

Re: Adolph F. Piehl - Seed Grain & Relief liens
NW¼ 12-13-10-W.4th
M. D. of Sunny South #123

In the years 1920-21-22 this man obtained seed grain and relief assistance from the Municipal District and as at December 31, 1928, his indebtedness was as under:-

Seed Grain liens-	Principal	$50.00	
	Interest		$25.48
Relief liens	Principal	149.09	
	Interest		81.59
		199.09	107.07
		$306.16	

As security therefor the liens were registered against the NW¼ 12-13-10-W.4th title to which still stands in Piehl's name, subject to a Caveat filed by the Department of Municipal Affairs dated November 10, 1928.

The land lies within the Tilley East area, and is of little value for agricultural purposes, and if used as a grazing proposition it would not produce sufficient revenue to pay any taxes assessed against it.

Piehl left the district some years ago and his present address is unknown so that it is practically impossible to collect from him under his personal covenant.

I would recommend, therefore, that the above sum of $306.16 be written off in as far as it affects this man's indebtedness to the Municipal District and also the indebtedness of the Municipal District to the Province of Alberta.

Yours truly,
M. Foree
Acting Director.

MEMORANDUM OF AGREEMENT between the Honourable Arthur Meighen, Minister of the Department of the Interior, on behalf of the Government of the Dominion of Canada, and the Honourable Charles Stewart, Premier, on behalf of the Government of the Province of Alberta, entered into this 20th day of October, 1920.

WHEREAS the Government of the Dominion of Canada and the Government of the Province of Alberta recognize that a serious situation exists in a portion of the Province of Alberta, owing to the recent severe drought and consequent crop failure, and that the settlers in the areas affected are in many cases in need of certain relief by way of provisions and fuel, as well as fodder for animals.

(3) The security of liens taken for relief advances shall be in favour of the Government of the Province of Alberta, except in cases where relief is being extended to settlers upon unpatented lands, in which event the security or liens on such unpatented lands shall be in favour of the Government of the Dominion of Canada.

(4) If relief is provided by a municipality and the Government of the Province discharges a liability for the actual amount of such relief or part thereof incurred by the guarantee of such municipality, the Government of the Dominion of Canada will pay the Province one-half of the amount paid to discharge such liability and thereafter one-half of any amount collected by the Province in respect of such relief or the security taken therefor shall be paid to the Government of the Dominion of Canada, and where money is collected either by the Government of the Dominion of Canada or by the Government of the Province of Alberta in respect to other advances made under this agreement, the Government making such collection shall pay one-half of the same to the other Government.

Inspector-in-charge

Dear Sir,

I have been told that my father, August Buechler (now deceased), secured naturalization papers in Canada.

Before his death he always told us he did not prove his rights. He said he sold his rights and did not prove his homestead. If this is true I'm sure he is no citizen of Canada.

My position at present requires a confirmation of this.

I demand the right, as his son, to have or see a duplicate of my Dad's naturalization papers containing the date the homestead was filed and the date it was sold or proved and all the other information pertaining to this.

Thank You.

Dear Sir:

With reference to your letter of recent date, a copy of which was forwarded to this office by the Assistant Chief, Naturalization Branch, The Under Secretary of State, I may say that Mr. August Boehler, single, 18 years of age, born in South Dakota, obtained homestead entry for the E.½ 33-22-14-W 4th Meridian, on October 23rd, 1912. Mr. Boehler applied for patent or Crown grant for the land on April 7th, 1916, and in support of the application he forwarded a certificate of naturalization as a British subject, dated November 29th, 1915. The certificate was returned to him by registered mail addressed to Hanna, Alberta, on May 12th, 1916, and patent issued in his name on June 9th, 1916.

After patent issued, the land would be under the laws of the Province of Alberta and we have no information regarding the present ownership. If you require this information I would suggest that you write to The Registrar, Land Titles Office, Calgary, Alberta.

Yours of the 15 inst- at hand & wish to thank you very much for the extention of time granted my two sons Claude, F. and C. W. Sage. Think you must have misunderstood the date of my filing or you would have granted me an extention the same I filed July 1-09 and of course would not have been expected to have made residence until next Jan. or On, or before Jan-1-10. So think if you understand it will extend my time until the winter months are over.

Sir,

I beg to acknowledge the receipt of your letter of the 22nd.ultimo, in which you ask for an extension of time on your homestead and pre-emption respectively, the N.W.¼ of Section 28, and the S.E.¼ of Section 33 Township 27 Range 14, West of the 4th Meridian until next Spring, and in reply regret to say that your request cannot be granted, as you have not yet perfected your entry.

For further information I beg to say that protection in regard to residence on a homestead and pre-emption is only given on account of the entrant having met with unforseen and uncontrollable circumstances, that render it either very difficult or actually impossible for him to fulfil his duties without protection. Protection is not to be given for the more convenience or profit of the entrant.

I beg to point out if you desire to retain possession of this half section, it will be necessary for you to comply with the conditions under which the same was granted.

Dear Sir,

Owing to the fact that there has been a big prairie fire across the Red Deer in the district in which I am located and as it would be impossible for me to go across this fall. I would ask it as a favor to give me six months extension as I am supposed to go on the 4th day of Dec. and the extension will give me till the 4th day of June 1910. My land is in range 9w township 29, the south east and north east quarters of section 16, ". 4.

If this is satisfactory send me back the extension as quick as possible and oblige.

I, John Pendle Smith

do solemnly declare :—

That I made entries for the above mentioned lands at the Dominion Lands Office at Calgary on the 5th day of June 1908, and now ask to have said entries cancelled, and be permitted to take up another homestead for the following reasons, namely :

Dear Sir:-

I enclose letter from Mrs. E. E. Logan of Castor in reference to a Scrip Entry made by her and in which she lays before the Department the circumstances which prevented her completing the full six months residence during the first year and asking the privilege of being allowed to put in an additional two months this year so that her first years residence would not be entirely lost. It would appear to me that this would be a case in which the government could extend the utmost leniency, as it could not be expected but that Mrs. Logan would want to take her husband's body home for burial and the Department would realize that it would be difficult for her to wind up affairs and get back to her homestead that fall. I wish you would look into the case and if you can recommend to the Department to allow her to put in the two extra months residence this fall I would be pleased to back you up with the department.

Thanking you in advance, I remain,

Very faithfully yours,

Madam,

I beg to acknowledge the receipt of your letter dated the 25th ultimo, in which you ask that the time you were absent from your South African Volunteer scrip location the West half of Section 32, Township 38, Range 11, West of the 4th Meridian, during your late husband's illness and ~~recent~~ death be granted to your advantage as residence in connection with the grant above referred to and in reply to inform you that it is regretted that your request cannot be granted as the regulations require that you shall actually live upon your half section for at least six months in each of three years before becoming entitled to patent.

I may add that the regulations in this regard are statutory, therefore, the Department has no power to vary or modify them.

Your obedient servant,

Assistant Secretary.

My dear Sir,

I am in receipt of your letter of the 3rd instant enclosing statement from Mrs. Esther R. Logan re West half of 30--3--11 West 4th.

While I regret to learn of the unfortunate position in which Mrs. Logan is placed, it is not possible under the Dominion Lands Act to give her credit for six months' residence during 1910, as requested by you. Under the Act it is necessary that a homesteader should perform six months' residence in each of three years upon his homestead, and the Department has no power to in any way alter or waive this provision.

I regret I am unable to meet your wishes on behalf of Mrs. Logan.

Yours sincerely,

Minister of Interior,
Ottawa, Ont.

Dear Sir:-

You will please find enclosed Patent from Mr. Arthur E. Logan, to his ~~purchased~~ scrip the W½ of Sec.8, Tp.30, Rge.11, West of the fourth meridian.

Mrs. Logan is the wife of a cousin of mine who died last year. He was formerly from St. Catharines, Ont., and was ill for a couple of years, and his wife thought it would be a good idea to put out in Western Canada, so took up this homestead last year. He went up to spend the summer and died. It was necessary for his wife to take the remains back to St. Catharines, and by the time she had got [illegible] matters settled up it was too late in the year to go back on the homestead.

I would like you to do her to get credit for the full six months. She is a woman of limited means, and has two children to support, and that it is necessary for her to live in town for the sake of [illegible]. If you could [illegible]

Re: Account of A.M. Ross
E½ 9-29-6-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 and 1920 seed grain, fodder and relief amounting to $539.85 were advanced to A.M. Ross on the security of the above mentioned land. Payments of $94.25 and $233.00 were received in 1915 and 1928, respectively, and applied to the principal and interest. The present standing of this account is:

Principal	Interest	Total
$ 312.08	$ 584.23	$ 896.31

Patent was issued in the name of A.M. Ross for the N.E. 9-29-6-W4 on the 18th of September 1914. The S.E. 9-29-6-W4 was formerly the pre-emption entry of the debtor whose entry was cancelled on the 2nd of March 1926, and was re-entered for as a homestead on the 22nd of March 1928, by one Oliver Kasa, who agreed to assume the indebtedness of the former entrant.

This half section has since become subject to forfeiture proceedings for nonpayment of arrears of taxes and according to Abstracts of Title the N.E. 9-29-6-W4 now stands in the name of the Municipal District of Golden Centre No. 272, and the S.E. 9-29-6-W4 now stands in the name of the Municipal District of Cereal No. 242.

The Municipalities have been unable to dispose of the land by sale and it is still vacant and no longer being operated. As such the land no longer offers any security of value for our liens.

Under the circumstances it is recommended that the balance of the indebtedness be cancelled and the liens discharged.

C.W. Gilchrist.
